We feed dry Purina EN if you do not bring your own food. This is a bland diet that reduces the risk of an upset stomach. **In the event of an emergency or illness while boarding, we will treat your pet for the illness at your expense.** We want to keep all pets healthy and comfortable.

**What is needed to board**

**\*\***Your pet needs to be current on all vaccinations and free from internal and external parasites; this policy protects your pet as well as other animals. If your pet is not current on vaccinations or shows signs of any parasites, these treatments will be done at your expense.

For the pet's safety and to guarantee no items are lost/ misplaced, please make sure the kennel attendant or technician gives you your leash and collar before leaving. We supply bedding to those who request their pet have something.
